The logo consists of the word "IMPORT" in a bold, white, sans-serif font, centered within a white rounded rectangle with a thin black border. This rectangle is positioned in the top right corner of the header image.

IMPORT

The header image is a vibrant, high-angle photograph of a city street. On the left, there are tall, multi-story brick buildings with many windows. In the center, a prominent blue steel suspension bridge structure spans across the street. On the right, more brick buildings are visible, some with fire escapes. The overall scene is bright and urban.
